Job Description

Reference Number (Internal): 231

Job Title: PESSPA Coach Internship

Location: Maghull and Frodsham

Role: This role will require the successful candidate to work alongside Mr J Curran in this new business enterprise in the PE, School sport and physical activity landscape. We deliver high quality PE lessons to schools to enable them to successfully develop their students in PE, whilst also supplying a CPD opportunity for teachers to see "how we do, what we do". We support the schools in developing a strong and successful school sport programme for their school games applications. We deliver popular extra curricular sport clubs to support the children to develop their technical, physical, social and psychological skills, whilst also supporting the school to increase their extra curricular participation rates. In Addition to this we work in the community to further support children in their development in specific sports.

The successful candidate's role will be supporting all of the above and be given the opportunity to experience what it is like to run your business and be your own boss. The successful candidate will support Mr J Curran in developing a small upcoming business. This may include creating marketing, admin and business materials and developing effective working relationships with staff in schools.

Duties:

- Support the planning, delivery and assessment of Primary Physical Education lessons
- Support the planning, delivery and assessment of a School Sport Programme
- Support the planning, delivery and assessment of a Extra Curricular Sport Programme
- Support the planning, delivery and assessment of a Community Sport Programme
- Assistance in completing termly assessments and end of year reports for all programmes we deliver

- Assistance in the up-skill of primary school teachers to develop confidence and safety in delivering PE
- Liaise with Headteachers, teachers and parents to build a positive rapport for the company
- Complete general administrative and marketing roles when required

Person Specification (Skills & Experience)

- To be / have studied an education or sport related degree
- Hold a Level 2 NGB qualification in a specific sport
- Have experience in leading sport sessions in the age group 5-11
