

Professor Hassan Al Nageim, BSc (hon.), MSc, PhD, CEng, FCIHT, FInstNDT
Room 3.11 Peter Jost Centre, School of the Built Environment, Liverpool John Moores
University, Byrom Street L3 3AF, UK
E-mail:h.k.alnageim@ljmu.ac.uk: www.ljmu.ac.uk/blt/best/lcmt/index.htm

Hassan's present post in the School of the Built Environment is **Professor of Structural Engineering**. Qualified as a **Chartered Engineer**, Member of the UK Engineering Council and a **Fellow of the following institutions**: The Chartered Institution of Highways & Transportation and the British Institution of Non-Destructive Testing. Following some time in private practice as a **Senior Consultant Engineer** Hassan moved into the education sector and has almost 22 years experience in this field. His teaching experience within the Built Environment profession has been at higher education.

Academic and Professional qualifications:

- BSc (Hon.) in Civil Engineering, University of Baghdad, Iraq
- MSc in Civil and Structural Engineering, University College Cardiff, UK
- PhD in Civil Engineering, Heriot-Watt University, UK
- Fellow of the UK Chartered Institution of Highways and Transportation
- Fellow of the British Institution of Non-Destructive Testing.

Professor Hassan has published **two text books** and more than **100 Journal and Technical conference papers**. His research interests are in; structural design and evaluations and materials technology/ innovations. Professor Al Nageim is also the **Founder and Chief Editor of the International Journal of Pavement Engineering & Asphalt Technology**, established in 2001, ISSN 1464-8164, the **Founder and Chairman of the international annual conference on Sustainable Materials, Pavement Engineering and Asphalt Technology**. He is a holder of major successful industrial research projects funded by national and international industrial sectors, including UK and Qatar governments with a total funding of more than 1.2 millions. He is also the **inventor and a holder of New Patented Technologies**. Professor Al Nageim also successfully supervised 7 UK PhD students as a Director of Studies and External Examiners for more than 16 successful UK PhD students from the University of: Nottingham, Portsmouth, Coventry and Ulster of the UK.

Professor Al Nageim has also extensive **experience in management/ development** of undergraduate courses in; engineering, building maintenance management and building surveying at Liverpool John Moores University, UK, and **external examiner** to the undergraduate course of Civil and Infrastructure Engineering/ South West Regional College/ University of Ulster, UK.

Professors Al Nageim also playing major roles as **a member of the strategic planning educational committees for two Engineering and Materials Institutions in the UK**. He is also a **Visiting Professor** for University of Babylon in Iraq and University of Yantai in China. Recently he has been appointed as **Adjunct Dean at ACCR Polytechnic in Ghana**.
