*This points tariff reflects a 'typical' offer for the course from the last academic year, offers may vary according to your previous study profile.
If you have any questions and are not sure whether or not you should apply for the course you are interested in then please get in touch

** Offers to our Pharmacy programme are currently subject to interview and aptitude test. Offers to A2 students will usually be grade specific (e.g. ABB, BBB etc.), the points tally here shows what each grade will typically add up to.

***If your current subject of study is not listed but you feel what you are studying is relevant to this subject please get in touch

Students who are studying non-standard or overseas qualifications which do not fall under the UCAS tariff should contact us directly
