### **3. League of Extraordinary Developers Competition .**

During the UKEC-GRADUAN Careers Fair 2011 at UCL, there will be an ongoing competition that students can participate in at the Axiata booth on **27 March 2011**. The League of Extraordinary Developers' Challenge consists of students pitching their mobile apps ideas, and standing a chance to win the BB Storm. There are five simple steps that the participants will have to follow

- **Step 1:** Students visit the booth to register for the Challenge
- **Step 2:** Upon registration, students will have to go to Axiata's Room (exact venue in UCL to be confirmed) to pitch their ideas, ala American Idol. They will be recorded on a video camera
- **Step 3:** Judges will decide on 10 finalists (Golden Ticket Holders) who will stand a chance to win the BB Storm
- **Step 4:** 10 finalists will pitch their ideas again at 4pm during the Celcom Axiata talk
- **Step 5:** Winners announced at the end of the Talk

Hope to see you there and good luck to those who will be participating in any of the competitions!

Best Wishes,

Nazurah Mohd Aziz
