

Surveys make more of a difference than you think

National Student Survey for final year undergraduates

UK Engagement Survey for other undergraduates

Postgraduate Taught Experience Survey

Postgraduate Research Experience Survey

Each survey took around **10 minutes** to complete

.....
The responses provide important information on what students think works well at LJMU and where further improvements can be made.

FOR EVERY SURVEY COMPLETED LJMU PROMISED TO DONATE MONEY TO CHARITY

The student-run Raise and Give Society chose **Claire House Children's Hospice**, which helps seriously and terminally ill children and their families.

BY COMPLETING THE SURVEYS, STUDENTS RAISED **£10,000**

We think that's **AMAZING**

So do Claire House because that's enough money to fund their hospice in the Wirral for one day.

“Thank you so, so much for all of your support! £10k is such an incredible amount and we are absolutely overwhelmed!”

Avril Parr, Community Fundraiser, Claire House
