Sage Education Collection

New and original video productions, offering quick definitions, short tutorials and in-depth interviews for a range of academic viewpoints across the social sciences. Featuring extensive

footage of practitioners in real-life professional settings, illustrating best practice and insights to mastering the theory, skills and techniques needed to succeed.

Teacher's TV

Video materials with curricular relevance: documentaries, interviews, performances, news programs and newsreels, and more

Websites

The content of websites is unregulated. Therefore, it is important that you check the quality and accuracy of information on the internet to ensure that it is reliable, accurate and of an academic standard. There are selected websites or search engines that you can use to help find appropriate information online, for example Google Scholar. If you find details for a relevant resource on the internet, you can check if LJMU has full-text access.
