

## Collaborative Provision Register

NB. The Register is correct as of November 2023; this will be updated monthly.

The provision register includes:

- programmes that are approved to enrol students, offered through Validated, Franchise, Joint and Dual arrangements.
- programmes that are teaching out. These programmes have students still studying on them but are closed to recruitment.
- approved articulation arrangements.

For information about the delivery site(s) and mode of delivery of any specific programmes, please see the published programme specification at:
