All student members are eligible to enter their contribution for the awards. Once your presentation has been confirmed as accepted by the Conference Organising Committee, to be considered for a student prize you must submit a **pdf** of your Powerpoint slides or poster presentation to the BABAO Conference Organising Committee via email

([babao2017@ljmu.ac.uk](mailto:babao2017@ljmu.ac.uk)) no later than **18<sup>th</sup> August 2017**; this is to allow student prize judges to review all contributions prior to the conference itself.

We are aware that your contribution might contain unpublished data and we would like to assure you that each file will only be reviewed by the student prize judges/organising committee. We will delete all pdfs immediately after the conference. A panel of three competition judges, comprising established BABAO members and a student member, will review all entries during the meeting and the winners of the competition will be announced at the close of the meeting.
