This charter is a statement of our passionate commitment to ensuring that LJMU is a place where everyone can be themselves and is respected for being who they are; a place where we are all equal but never the same; a place where the things that make each of us different make our university stronger.

We value the warm, friendly and supportive atmosphere of this university and our strong sense of community and pride in our home city, but we do not take that for granted. We are determined that in everything that we do, no matter how small - in our formal roles within the university and the students’ union and as individuals who make up the LJMU community - to treat each other and our environment with consideration, kindness, thoughtfulness and care.
