

RESPECT ALWAYS

PLAY YOUR PART

At LJMU we want everyone who studies here, works here and works with us to feel respected and to respect others.

It's really important, especially at a time when people are feeling concerned and anxious, that we all understand we are in this together.

At LJMU that means recognising that we all have a part of play in making our community safe, minimising our risks and in protecting ourselves and everyone around us.

LJMU TOGETHER

THIS IS HOW WE WILL KEEP OURSELVES AND EACH OTHER SAFE

- Fully engage in our track and trace system – it will keep you, your family and your friends safe
- Wear a face covering – but understand some people cannot cover their face – please respect their difference
- Use the sanitiser and hand washing facilities we have put in place
- Follow the guidance and signage we have marked up around the campus
- Keep your distance and respect the spaces we need to keep apart
- Listen to the marshals and staff when they provide advice, they are there to keep you safe
- If you are worried, if you are ill, if you are scared – tell someone, we are in this together

Don't be afraid to ask – no-one knows the answers to everything, we are a community that listens and if you are unsure about anything just ask, we care about your concerns.

LJMU respects you as an individual – please behave respectfully to one another and make a positive difference to your environment.
