

Ask, Listen, Act - working together to inform the provision of Special Educational Need and Disability support for children after the COVID-19 pandemic.

# Information Sheet for Children

We are asking if you would like to take part in a project. This sheet will tell you all about it.

## What is this project doing?

- The project wants to find out what it has been like for you over the COVID-19 pandemic and what you think could help support you in the future.

## Who is doing the project?

- The people doing the project are Emma, Lucy, Amel, Carrie and Joanna.

## Why have I been asked to take part?

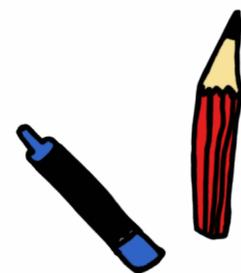

- We are asking you to take part as we think that you can tell us what the COVID-19 lockdowns were like for you and what could support you in the future. Your mum/dad/carer have said it is okay for you to take part.

## What will happen to me if I say yes I want to take part?

- You will be asked to answer a few short questions on your mum/dad or carers computer, phone or laptop.
- You can write or draw pictures or use emojis to answer the questions.
- Your mum/dad/carer can help write down what you tell them.

## Do I have to take part?

- No! It is up to you whether or not to take part.

## Will anyone else know I am taking part?

- Your mum/dad/carer will know that you are taking part. We will be able to see your answers, but we won't know that they belong to you.

## What are the good and bad things about taking part?

- We hope that you will enjoy taking part. It will take you some time to fill in the survey. If you want to stop taking part then just stop, no-one will mind.

## What if I have some questions?

- If you have any questions about the project ask your mum/dad/carer to contact Emma
