

## Summer University 2018

### Student Checklist

This is a handy checklist for all the things that you might need to bring to the Summer University. You can use this list to check off things as you pack.

- Towels - at least one bath towel and a hand towel.
- Toiletries – including toothpaste, toothbrush, shower gel and deodorant.
- Mobile phone & charger – if needed.
- Comfortable shoes – you will be doing some walking around the city centre between sessions.
- Lightweight Coat – even though it will be the summer, the weather can be changeable and we don't want you to be soaked to the skin! Bring one with a hood if you can.
- Sunglasses/sun cream – make sure you are well prepared!
- Clothes (including PJ's)

For the daytimes, bring casual clothes e.g. jeans and t-shirts. You might also want to put in some shorts as the weather might be warm (we hope!). Casual clothing is fine but please make sure you pack at least one pair of closed-toe shoes!

For the evenings, you might want to bring a change of clothes, although we are eating in casual places and all of the Summer University staff will always be in their LJMU t-shirts – so it definitely isn't a fashion parade!!

Pocket money, everything at the Summer University is free however if you would like to bring some pocket money to buy extra drinks or have a game of pool we recommend a maximum of £10.

**Don't worry, if you do forget anything, we are only a ten minute walk from the city centre, and so a member of Summer University staff can always go and buy anything you've forgotten!**
