## Connecting SMEs to Graduate Talent

### BUSINESS SUPPORT PACKAGES

Are you a Small to Medium-Sized Enterprise located in the Liverpool City Region looking to scale-up or expand your business? LJMU Graduate Futures is a £2.4m project, funded through the European Social Fund, designed to talent match businesses with student and graduate talent.

Our funded programme provides one-to-one business support and consultancy that is tailored towards your individual business need. We will support you through a bespoke programme of coaching and mentoring and introduce you to the benefits of recruiting higher-level skills. We will also work alongside you to harness this knowledge as you journey towards growth.

We will even manage the recruitment process bringing an additional cost-saving to your business.

With 250 degrees across a range of subject areas, our students and graduates deliver currency of knowledge and academic insight whilst injecting fresh ideas.
