

6.3 Trains

Merseyside has a comprehensive rail transport network serving Liverpool city centre and the surrounding area. **City-centre train stations** include Lime Street, Central, Moorfields and James Street. The closest train stations to the **IM Marsh campus** are Aigburth, West Allerton and Mossley Hill. The nearest train stations to the **Lairdside Maritime Centre** are Green Lane, Birkenhead Central and Rock Ferry.

All stations are marked on the Merseyrail map in Appendix B.

The new developments at Copperas Hill (anticipated completion in 2020) are excellently situated for train commute. Copperas Hill shares one side of its road with Lime Street station, while Central station is only a two minute walk away. See Section 9 for a more detailed breakdown of travel and transport access.
