

New Collaborative Programme Approval

Approval of a New Programme
with a New Partner

Partner approval

Including approval of the financial arrangements by Fee Setting Working Group (FSWG), due diligence and final approval by the Collaborative Provision Panel (CPP).

Details are outlined in the *Collaborative Partner Approval Process*, [here](#).

Approval of a New Programme
with an Existing Partner

Approval of the financial arrangements by Fee Setting Working Group FSWG

Details outlined in the *Collaborative Programme Approval Process* [here](#).

Strategic approval to proceed to validation approved by Academic Planning Panel

Further details available in the *Guidance for New Programme Approval* and templates [here](#).

Collaborative Validation

Further details and templates available [here](#).

Signing of the Contract

The contract can only be signed when all conditions of Validation are approved by the panel, and any other conditions of contract have been met.

Development/negotiation of the contract will be initiated following APP approval.

Further details available in the *Management of Collaborative Contracts* guidance [here](#).

Programme advertising, recruitment and delivery

Programmes can start advertising and then delivery of Collaborative Programmes **after** the contract is signed by both parties.

This should be in line with the *Guidance for Marketing and Public Information for Collaborative Partners*, available [here](#).
